

7 DEC 1988

MEMORANDUM FOR: See Distribution

FROM: Edward J. Maloney  
Director of Information Technology

SUBJECT: Information Security (INFOSEC) Working Group

1. Because of the increasing importance and complexity of INFOSEC issues, I am establishing an office-wide working group as a forum to discuss major INFOSEC issues and problems, and to coordinate relevant solutions. The working group will be chaired by the Chief, INFOSEC Division, MSG/OIT, (formerly Technical Services Division) and will report directly to me on a regular basis. I know you all appreciate the critical role INFOSEC plays in OIT's mission. The new working group will improve the coordination of our INFOSEC activities, ensure that office-wide impacts are properly considered, and stimulate creative thinking in this important arena.

2. Each OIT group should nominate a senior officer as a representative. Please send your nomination to [redacted], Chief, INFOSEC Division, by COB 19 December. Don may be reached at [redacted] and via AIM userid [redacted]
